

## IDEAL TO BRING A LUXURIOUS TOUCH TO YOUR COMMUNICATION

Evolis PVC cards are the ideal support for outstanding printouts. Their even and flat surface ensures flawless moves under the print head (minimizing the risk of damage) and printouts with vivid colors and well-defined barcodes.

Glitter gold and silver cards are perfect for hospitality and retail businesses who want prestigious-looking cards. Use them with Evolis monochrome ribbons to add shine and distinction to your communication.

### ADVANTAGES

Color cards are an easy and aesthetic way to manage your communication and to add color to monochrome prints, making your tags more distinctive and noticeable. The high perceived value of a gold or silver card makes them ideal for use as privilege, event or gift cards.

Made from PVC, they are flexible but very resistant and solid.

Tested and validated by Evolis R&D and Quality departments, these consumables bring you printing quality and reliability.
