## PRINTER ACCESSORY

Carry and protect your printer and its accessories

### YOUR PRECIOUS CARD PRINTER IS SAFE, ANYWHERE!

The Badgy Travel Bag is designed to carry the printer, its consumables and cables, and also serves as a protection for your valuable equipment.

Its sleek design and quality finish make it the must-have accessory for professionals who need to issue badges with a picture and on-site: in schools, for companies with multiple locations or for event management.

The Badgy Travel Bag protects your printer and accessories when you are on the go, at the same time providing easy carrying comfort, thanks to its non-slip shoulder strap and its handle.

### PROTECTION FOR YOUR BADGY PRINTER

- Foam padding to protect your printer from minor shocks and scratches
- Quality finish
- A first barrier against dust and water

### COMFORTABLE CARRYING

- Convenient and compact
- Comfortable shoulder strap with a rubber pad
- Large ergonomic rubber handle
- Anodized metal clip

### 3 STORAGE COMPARTMENTS

- Main storage tailored for your printer
- Middle compartment to hold consumables
- Rear pocket to stow the printer's power supply unit and cables (USB...)
